- LEED® for New Construction (NC) Certification
- High recycled-content products and low VOC materials
- 20% less water use than a non-LEED building
- Highly efficient irrigation system reducing landscape water use by 50%
- On-site storm water detention pond

BEND MEMORIAL CLINIC OPENED THIS 14,308 s.f. primary care facility in Bend's Westside neighborhood. With physicians in varying disciplines, the clinic provides primary care, urgent care, lab and x-ray services, and optometry. Also on site is Blink Optical Boutique, a high-end retail optical shop. A glass curtain wall system allows for plenty of natural daylighting and, in combination with its brick veneer, creates an attractive exterior.
