R&H's 'Woman of Influence'

Evelyn Galloni, VP

2016 WOMEN OF INFLUENCE
AWARD RECIPIENT

R&H's Vice President, Evelyn Galloni was honored as a 2016 Women of Influence award recipient by the *Portland Business Journal*. From a pool of over 300 nominations, Evelyn was chosen as one of the 25 honorees.

Evelyn began her career in construction in 1981 when roughly 2.2% of the construction industry was made up of women. From pushing a broom and jack hammering, she worked her way up through the ranks and became a superintendent in 1985. Since then, she has continued to elevate not only her career path but also has helped many others along the way. She is an exemplary business woman and we are honored to have her as part of our R&H family.

Over thirty-seven years ago, R&H was founded as a tenant improvement contractor. To this day, we take great pride in our ongoing ability to provide quality construction at competitive prices for local and national businesses like retail shops, creative offices, medical clinics, automotive dealers, restaurants and more.

Our remodel and tenant improvement group includes over thirty-five staff members between Portland and Bend, all experienced in working on fast-paced, budget conscious projects. While competitive, we are also able to offer resources, expertise and speed that only a larger general contractor can.
